

Strings @ Parklands

Ever dreamed of playing the violin, the viola or the cello? Dream no more, that chance is now before you at Parklands Christian College!

Mrs Alison Harbottle has over 20 years of experience teaching all string instruments in both school and private studio settings. She has toured Canada, America, Japan, South Korea & Europe with various orchestras, and in 2016 one of her compositions was given its international debut in Rome. Currently a member of the string faculty at Brisbane Grammar School, as well as a Parklands parent, Alison is thrilled to be able to assist Parklands with its budding music programme.

Individual lessons are offered on a weekly basis; families will be invoiced directly within the first four weeks of each term and payments are to be made directly to Alison. Enrolments will carry over from term to term and year to year unless otherwise notified. Lessons will, as far as possible, be rotated throughout the school day so that the same subject is not missed every week. Parents are responsible for the purchase of all instruments and books as required.

Lessons will be 30 minutes = \$30. More advanced students requiring longer lessons will move to 45 minutes = \$45.
