Chess Mates specialises in teaching chess to children of all age groups and skill levels.

Our team is dedicated to teaching chess in a fun and engaging way, so that children of any age can join in regardless of experience level.

We teach younger students through songs and stories, for older or more advanced students we teach openings, strategies and forward planning.

We focus on making new friends and having fun while learning.

What we are
doing to keep
everyone safe:

Sanatizing everyones
hands, before and after
classes.

Sanitizing all chess
equipment before each
class.

Students taught in
pairs. Only 2 students
per table.

Limiting class numbers as
directed by the Qld
government guidlines.
